## **MEDICAID AND NC HEALTH CHOICE PARTICIPANTS**

*When we welcome a new patient to the office, we also welcome any questions you may have about office policies, insurance, and of course fees. Due to the type of plan that you have your dental services are covered at 100%. If at anytime you request a copy of your xrays or records there is a \$25.00 fee for that which isn't covered by your insurance.*

*We work very hard to control the cost of dental care. It's part of our philosophy that quality care should be available to everyone. When a new patient comes into our office and they are seen by staff and the doctor. Services are rendered and further treatment either discussed with the patient, parent, or guardian. Payment for services rendered is submitted to the respected agency for payment. NC Health Choice participants are not allowed to have an exam and cleaning at the same visit so your preventive services will take place over two visits. We request that the patient, parent, or guardian please keep all follow-up visits to ensure that all work is completed.*

*Please be advised that we require 24 hours notice for a single appointment and 72 hours notice for 2 or more people in one family coming at the same time to cancel or reschedule an appointment. If these requirements are not met there will be a warning given on the first infraction and a note made on the account. Then on the second infraction the patient can no longer be seen in this office.*

*We look forward to working with you and making sure that your child has a **HAPPY AND HEALTHY SMILE**. By signing below, I advise and acknowledge that I have read, understand, and agree to abide by the policies of this office.*
